v.)	JOINT MOTION TO CONTINUE EARLY NEUTRAL EVALUATION
The UNITED STATES FISH AND WILDLIFE SERVICE and DIRK KEMPTHORNE, Secretary of the United States Department of the Interior,)	
Defendants.)

2
3 COME NOW THE PARTIES, Plaintiff, Center for Biological Diversity, and Federal
4 Defendants, the United States Fish and Wildlife Service and Dirk Kempthorne, Secretary of the
5 United States Department of the Interior, by and through their undersigned counsel, and hereby
6 jointly move the Court to continue the date for the early neutral evaluation, currently set for April
7 2, 2008, for 60 days.

8 In support of this motion the parties state as follows:

9 1. The parties have had productive settlement discussions and believe that they have reached
10 an agreement in principle at the staff level on the terms of a settlement.

11 2. The parties need additional time to negotiate and finalize the terms of a written settlement
12 document.

13 3. Subsequent to agreement on the terms of a written settlement document, the Federal
14 Defendants need additional time to seek formal review and approval of the recommended
15 settlement from the appropriate officials at the Departments of Justice and the Interior.

16 4. The parties seek this stay to allow them to devote their resources to attempting to finalize a
17 settlement rather than continuing to pursue litigation tasks. If a settlement is finalized, the
18 need for further litigation proceedings will be obviated.

19 Based upon the foregoing, it is respectfully requested that the Court enter an order, under
20 Fed. R. Civ. P. 6(b)(1), continuing the date of the early neutral evaluation for at least 60 days and
21 set the early neutral evaluation on such date thereafter and at such time as the Court orders. In the
22 alternative, the parties request that the Court grant them leave to participate in the early neutral
23 evaluation via telephone.
